Harnessing the natural power of Skegness

Lincolnshire is a great place to visit for a day trip or holiday and its coastline has even more to offer for those who have an interest in their environment.

Visitors can get a glimpse of the next generation of UK power – wind farms, producing low-carbon renewable energy for growing numbers of Britain's homes. We at Centrica are proud of the Lynn and Inner Dowsing wind farms we have built off the Skegness coast, which have been operational since 2009.

They generate enough power to meet the annual electricity demand of more than 130,000 homes. And in 2013 we completed the Lincs wind farm, a little further out to sea, which provides enough power for a further 200,000 homes.

Offshore wind farms harness the natural power of the wind and it's an energy that Britain's coastline has in abundance.

Generating more of our power from renewable sources will help protect us from the impact of climate change and make the UK less reliant on imported energy.

You can find out more from our information boards which are located on Skegness sea front on North Bracing, and along Lagoon Walk.

New-and-improved visitor centre at Gibraltar Point

A SPECTACULAR NEW £1M VISITOR CENTRE AT GIBRALTAR POINT NATURE RESERVE WILL BEGIN TO TAKE SHAPE OVER THE COMING MONTHS.

Work has started on the brand new building, which will include a café and educational information.

It replaces the former visitor centre, which suffered extensive flood damage during the storm surge in December 2013. The new building will be raised on stilts to protect it from any future flooding.

Cllr Colin Davie, Executive Member for Economic Development at Lincolnshire County Council, said: "This is an opportunity to make Gibraltar Point even more attractive to visitors - an opportunity we intend to take full advantage of.

"The new visitor centre has been designed to make the most of the reserve's stunning views, with expansive windows facing the dunes and sea, and a rooftop viewing deck.

"Combined with the new North Sea Observatory at Chapel St Leonards, this improved attraction will help extend the traditional tourist season on the coast, providing a significant boost to the local economy."

The council has developed the ambitious plans in partnership with the Lincolnshire Wildlife Trust, who will continue to run the site.

The project is being funded by Lincolnshire County Council (£430k), the Lincolnshire Wildlife Trust (£200k) and the Government's Coastal Communities Fund (£420k).

In the meantime, Gibraltar Point remains open to visitors, with opportunities for walks and birdwatching. Temporary facilities, including catering, are provided on-site.

Lincolnshire Environmental Awards

SEARCHING FOR LINCOLNSHIRE'S GREEN HEROES

The Lincolnshire Environmental Awards recognise and celebrate the inspiring activities that are helping to improve the environment and encourage sustainability. They are a showcase for community groups, schools, businesses and farmers.

Past winners have included village community groups that have created wildlife areas; schools that have grown

their own vegetables, built recycled bottle greenhouses and bug palaces; farmers that have restored and planted hedges, and created wetlands.

SKEGNESS

A GREAT BRITISH SEASIDE HOLIDAY

Skegness was one of the UK's first seaside resorts and still one of the most popular...and it's not hard to see why.

At the heart of it all, there's our beach. Wide-open, clean, golden, and big. For years it's also flown the prestigious Blue Flag - your guarantee of high water quality, litter-free and good beach facilities.

There's a warm northern twinkle to Skegness, it's why visitors have flocked here for more than a century. And thanks to new investment, we aim to stay as one of the UK's top resorts.

Walk along the beach front and it's a wonderland of family friendly attractions all day long. Who can resist beach donkeys, fun fairs and some of the best value fresh donuts you'll find anywhere?

So, whether you want to rekindle memories of treasured family breaks, or simply love being beside the sea... welcome to your Great British Seaside Holiday.

WHERE THE FUN NEVER STOPS...

Stroll the boardwalk at Skegness Pier, one of only 50 left in the UK, boasting everything from a children's play area to the latest simulators along with a Bowling Centre and Laserquest arena.

Feeling fishy? Family attraction Skegness Aquarium, new in 2015, offers a journey under water through a fantasy Pirate World. Fresh from its 50th anniversary year, Natureland Seal Sanctuary not only rescues orphaned seals, but is also home to everything from meerkats to penguins.

Cool off in the Embassy outdoor swimming pool, just off Grand Parade, or try the indoor pool complete with 30m water flume. Relax in the scenic Tower Gardens or enjoy the riot of summer colour in the floral pathways around the Compass Gardens.

Feeling nostalgic? Skegness Model Village, named among the UK's top 10 vintage seaside attractions in The Guardian, is quirky as well as quintessentially English!

WHY NOT?

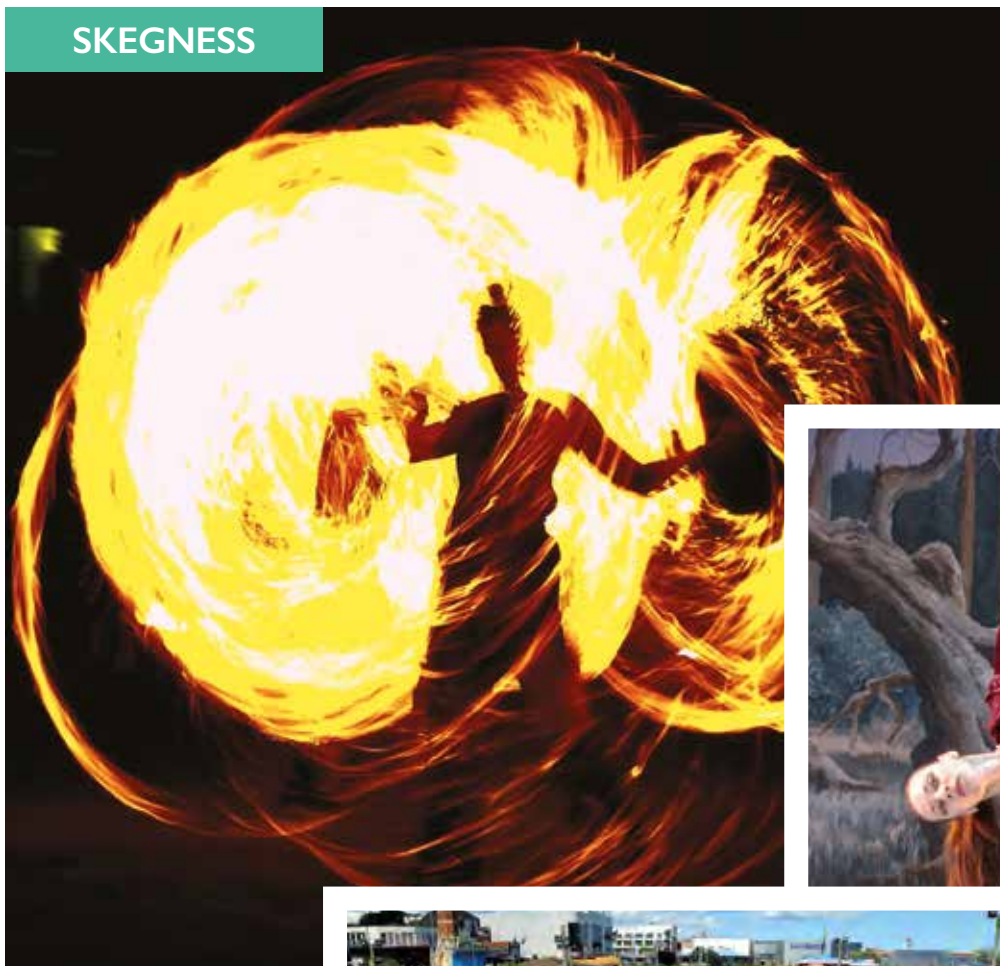

Take a selfie with the Jolly Fisherman - one of the town's most popular landmarks is a statue of Skegness mascot Jolly, in the colourful Compass Gardens.

Go for a donkey ride - how much more traditional can you get than donkey rides on the beach?

Enjoy all the fun of the fair - there's always time for a ride on the dodgems, or spin in the cup and saucer at Skegness Pleasure Beach.

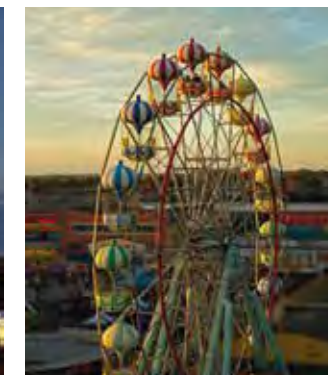

Hit the shops - from 'Kiss Me Quick' hats, seaside treats and sticks of rock galore to high street names and the popular indoor Hildreds Shopping Centre.

SKEGNESS

LIGHT UP THE NIGHT

Take one celebrity, mix in a dazzling array of illuminations and you've got the perfect recipe to light up the summer. Last year it was X Factor and I'm a Celebrity star Jake Quickenden who flipped the switch, but every year there's a star-studded illuminations launch that adds even more sparkle to Skegness.

WHO SAYS THE FUN HAS TO STOP WHEN THE SUN GOES DOWN?

For cabaret, musicals, comedy and dramas, the Embassy Theatre has been welcoming the stars for over 30 years as the East Coast's premier entertainment venue.

Firm family favourites also prove popular as dusk falls, with an evening at Jolly Roger Adventure Golf perhaps? And who can resist the whirl of spectacular colour from Botton's Pleasure Beach for an after dark spin on the evening rides and attractions.

But there's plenty more to keep the holiday mood alive after sunset.

New last year, Grand Central – not only the newest seafront building, but also the tallest – is home to a host of venues, including The Pig & Whistle, Mojo's Bar & Terrace and the Parkview Terrace Restaurant with views across the seafront.

DISCOVER TWO SEASIDE CHARMERS

This is a coastline of cool beach huts and golden sands.

Visit Mablethorpe and enjoy the stunning Blue Flag beach as well as arcades and attractions ranging from crazy golf to boating and tennis.

Along with long promenades lined with traditional beach huts, this is also home to our eccentric 'Bathing Beauties' – beach huts for the 21st century.

Discover a giant 'Gin & Tonic' with a straw and a slice of lemon, or the Victorian themed 'Camera Obscura' along Mablethorpe's beachfront. Look out for Jabba too – hidden in the sand dunes!

IT'S ALL ABOUT THE BEACH HERE.

Vast, safe and clean, it's why Mablethorpe has been such a family favourite for generations.

Stroll the promenade and you'll be spoilt for choice with places to eat, drink and relax. There's the Dunes Leisure Fairground or how about a spot of ten-pin bowling at The Mirage family entertainment complex?

Looking to chill out? A hop, skip and a jump from the beach lies Queens Park, with gardens, boating lake and paddling pool – plus tennis and a putting green for those still looking to work off those donuts and candy floss!

Year-round events add to the mix, including Mablethorpe Illuminations; while in winter or spring, catch exciting beach motorcycling.

FANCY A BIT OF TIME TRAVEL?

Head a little further along the coast and you'll reach the seaside village of Sutton on Sea, a haven for visitors since the days of Queen Victoria.

Turn the clock back to a golden age of seaside charm... a resort with a real village feel.

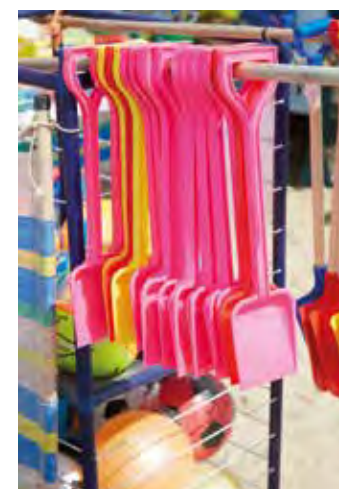

There's a wide sandy beach, popular with families, and an easy-to-walk high street with independent shops, cafes and great fish 'n' chips!

And as strange as it sounds, alongside a children's play area and bowling green in the Sutton on Sea Gardens is the Maple Leaf paddling pool - a gift from Canada.

LET THE SAND TRAIN TAKE THE STRAIN.

It's been an institution for years, but that doesn't stop thousands of visitors loving a trip on the brightly coloured sand train up and down the sandy beach. All aboard!

FAMILY FUN

We love our beach huts, and each year we celebrate them, Lincolnshire-style.

Alongside traditional huts our Bathing Beauties – five imaginative huts between the two resorts – take centre stage each September in a fabulous festival featuring art, music, drama and family fun.

INGOLDMELLS & CHAPEL ST LEONARDS

WELCOME TO THE FUN ZONE

If you're looking for an action-packed beach break, you've come to the right place.

This is where Billy Butlin launched his holiday empire 80 years ago and where today Butlins still welcomes and entertains thousands of visitors every year.

Neighbouring Chapel St Leonards might have more of a rural charm, with its beach huts and central green, but it also offers family entertainment by the bucketful too.

Two bustling resorts where the fun lasts all day...and lingers long after sunset.

Brave a roller coaster or two for non-stop thrills at Fantasy Island.

Close to the beach and with a tropical island theme, there are 25 thrill rides along with children's rides, amusements, bars and cafes – and one of Europe's biggest seven day markets.

COME RAIN OR SHINE...

We're lucky to be on the drier side of Britain – it's true, eastern England has less rain – but there's plenty to keep you in the holiday mood, whatever the weather:

Feed the goats and cuddle baby lambs at Hardy's Animal Farm, set in acres of countryside, yet just minutes from the beach. Rain never stops play here, with a giant outdoor play fort and Haystacks Indoor Playbarn.

If that's not enough action, how about water skiing at Skegness Water Leisure Park? Or there's always monster trucks, demolition derbies and spectacular stock car racing at Skegness Stadium.

A PICTURE POSTCARD

Fringed by a sheltered bay and miles of beach, there's something about Chapel St Leonards that makes it a second home to visitors. With its attractions, safe sands and village green, it's a true family favourite.

WHEN THE SUN GOES DOWN...

As beach life winds down, the stars come out to play.

There's cabaret at Club Tropicana in Chapel St Leonards, where you can dance to live bands, listen to singers and laugh with comedians.

The Villager and the Family Showbar in Ingoldmells have live entertainment seven nights a week during the summer while Fantasy Island's themed bars, Scallywags and Castaways, have regular shows. Special evening rides here are popular too.

Or pop along to the Countryman pub in Ingoldmells and sample ales from Lelia Cottage micro-brewery. Legend has it that smugglers used it as there was a secret passage out of the pub.

NATURAL COAST

Welcome to a different coast and discover some of the country's best natural habitats

TAKE A SEAT AT THE CLOUD BAR

Pull up a chair at the UK's first Cloud Bar. It may not serve drinks, but this bar at Anderby Creek is the UK's first purpose-built cloud viewing platform, complete with 'Cloud Menus' and swivelling mirrors. Cheers!

A COAST FOR ALL SEASONS.

During autumn and winter, vast mud flats attract wading birds while sandbanks create a natural nursery for grey seal pups.

Around a million migrating birds return here each year, so it's no surprise that much of it is a Site of Special Scientific Interest (SSSI).

For much of the year grey seals at the Lincolnshire Wildlife Trust's Donna Nook National Nature Reserve are at sea or hauled out on distant sandbanks.

But, every November and December, the seals give birth to their pups near the sand dunes: a wildlife spectacle which attracts visitors from across the world.

Last winter nearly 1800 pups were born! We'd love you to enjoy this unique experience but we ask that you stick to the viewing areas, keep your distance and under no circumstances touch the seals.

Saltfleetby-Theddlethorpe Dunes National Nature Reserve is another top spot for nature lovers, boasting striking summer displays of sea lavender.

With a beautiful stretch of sandy, unspoilt beach, Anderby Creek is as delightful as the name suggests and amongst the sand dunes is the 'Round and Round House' – another of our 'Structures on the Edge' designed for all-year-round bird watching.

WILDLIFE WATCH

Grey Seals

Britain's biggest land mammal, half of the world's population is around UK coasts.

Lapwing

We have one of the highest known winter concentrations of the beautiful Lapwing with its distinctive crest.

East Lincolnshire is as much about getting back to nature as it is family fun.

And 2016 is a great year to discover our less well-known Natural Coast, with stunning new ways to explore our surprisingly contrasting coastline.

So take a walk on the wild side with us!

Located between the coastal strip and the Lincolnshire Wolds, you'll find the Lincolnshire Coastal Grazing Marshes. This nationally threatened habitat supports a diverse variety of wildlife and the distinctive wetland landscape is steeped in a rich cultural history.

Various walking and cycle routes have been developed to help you explore the area's hidden heritage, picking out key points of interest along the way.

We have some of the country's most important natural habitats – and among the top spots is Gibraltar Point National Nature Reserve.

Literally minutes from the bustling town centre in Skegness this is a beach for wildlife lovers rather than sun worshipers. A wildlife haven of sand dunes, saltmarsh and lagoons.

This year-round reserve, managed by Lincolnshire Wildlife Trust, hosts thousands of birds including Golden Plover, Little Terns, and Avocets. In 2016 a brand new Visitor Centre, with a wall of windows and a rooftop viewing deck, will offer stunning views.

Close by is Chapel Six Marshes, a long, sandy beach, where you'll also find one of the coast's newest installations, the 'Structures on the Edge' Sound Tower, which focuses the senses and amplifies the windy nature of the coast.

FESTIVALS AND EVENTS

If you enjoy carnivals and festivals, we've got some crackers.

While we throw some great summer parties, even if we do say so ourselves, we also like to spread the fun throughout the year.

So, whenever you come to East Lincolnshire, we've got something to tempt you with.

You could even build a perfect break around your own favourite... after all, who can resist Festival Fever!

IT'S JUST SO GOOD...

From 25 June to 3 July nine days of free events transform East Lincolnshire into a colourful carnival of dance, street theatre and comedy. Our SO Festival offers a family-friendly mix of traditional entertainment and seaside spectacle.

Or there's our brilliantly quirky Bathing Beauties Festival in September. Celebrating the humble beach hut, Mablethorpe Promenade is filled with musicians, dancers, poets and street entertainers.

Holidaying earlier or later? Put your best foot forward from 21 May to 5 June at the Lincolnshire Wolds Walking Festival, packed with routes for all abilities, or there's always plenty of festive fun at our many Christmas and themed markets.

So, whenever you visit, you'll be spoilt for choice.

CARNIVAL CAPERS!

Welcome to the party as high summer brings a riot of colour, culture and costumes.

Watch the floats at July's Sutton on Sea and Trusthorpe Carnival while August is carnival time in Skegness, with a spectacular parade, crazy costumes, and sand sculpting.

From July to October Skegness and Mablethorpe Illuminations burst to life along the seafront – and there's always a spectacular launch event for each.

Among the pick of festive celebrations, try Skegness Christmas Market on 26 and 27 November.

FOR A DIFFERENT SPIN...

Head for Skegness beach in November for the annual AMCA Motocross bike racing, while Mablethorpe beach plays host to winter motorbike and quad bike sand racing.

On the edge of the Lincolnshire Wolds, picturesque racing track Cadwell Park is one of the country's best circuits, and especially popular for British Superbikes.

Bowls is big in this part of the country with tournaments in Skegness taking place throughout June and July while September sees the E.B.F. Bowls Tournament.

WORD OF MOUTH...

As an autumnal treat, try the Wolds Words Festival for a cultural fix of literature, performance, local history and crafts. Staged each October, mainly in Louth and surrounding areas.

LOVE THE GREAT OUTDOORS? YOU'LL LOVE THE LINCOLNSHIRE WOLDS.

It may only be a short journey inland from our coastal resorts, but this stunning scenery literally inspired poetry, thanks to Alfred, Lord Tennyson.

For over forty years it has been an Area of Outstanding Natural Beauty, rolling countryside that challenges misconceptions of Lincolnshire being flat.

Hidden valleys, sleepy stone villages and historic market towns... welcome to the Wolds.

EXPLORING THE LINCOLNSHIRE WOLDS AND OUR MARKET TOWNS IS A BREEZE.

Choose from leisurely walks to serious treks. Enjoy 'Walkers are Welcome' towns, including Horncastle, Market Rasen and Caistor.

Join a guided walk from Lincs Wold Walking, track down your own perfect trail at anytime, or come in May and June for the Lincolnshire Wolds Walking Festival. For something completely different, go trekking with Llamas – yes, seriously!

Want a challenge? The Viking Way is a 147-mile long footpath and will be celebrating its 40th birthday in 2016, while the Lincs Wold Way is a 76-mile circular walk taking in the best of the Wolds.

Cyclists can choose from circular routes of varying lengths, with six great cycling routes around the Louth area. Hire a bike or bring your own, but don't believe those 'Lincolnshire is flat' folk - trust us, there are also some serious challenges here!

ONE OF THE JOYS OF WANDERING THE WOLDS IS EXPLORING OUR HISTORIC MARKET TOWNS.

There's Louth, the 'finest little market town in Britain', and Horncastle, famed for its antiques shops. Charming Alford, with its five-sailed windmill hosts regular arts and crafts markets.

The Edwardian spa town of Woodhall Spa is a delight, as well as home to English Golf, while Spilsby, on the southern Wolds, has been a market town for centuries.

On the edge of the Wolds, Tattershall and Coningsby are well worth a visit, particularly for the dramatic Tattershall Castle and neighbouring Coningsby's Battle of Britain Memorial Flight Visitor Centre.

SADDLE UP...

Discover the Wolds on horseback. Go cross-country or how about holidaying with your four-legged friend? Canter-Hallington in Louth, at the foot of the Wolds, offers a chance to do just that.

FROM AVIATION TO EXPLORERS, EAST LINCOLNSHIRE CAN CLAIM A LASTING LEGACY.

But our rich heritage isn't consigned to the history books; it is very much alive at a host of sites and attractions – with enduring links to the USA, Australia and beyond.

Our sense of adventure and pioneering spirit has helped shape the world, so take a step back in time...

EXPERIENCE THE BIG SKIES OF 'BOMBER COUNTY'.

From the Royal Flying Corps to scores of Second World War bomber bases, Lincolnshire has long played a key role in aviation heritage.

Today, that history comes to life at the Lincolnshire Aviation Heritage Centre, East Kirkby, an original 1940s airfield, where you can not only see a Lancaster bomber, but also take a runway taxi ride.

RAF Coningsby is home to the Battle of Britain Memorial Flight Visitor Centre, a rare opportunity to see the historic wartime aircraft seen in flypasts at major national celebrations.

At Woodhall Spa, the picturesque Petwood Hotel, which served as the Dambusters' Officers' Mess, boasts the Squadron Bar with memorabilia and tributes. Its car park also displays one of the only remaining prototypes of the famous 'Bouncing Bomb'.

TENNYSON COUNTRY

Follow in the footsteps of one of our most famous poets on the Tennyson Trail.

Visit Somersby, where Alfred, Lord Tennyson spent his early years. Stroll through the countryside that inspired him. Linger in picturesque Tetford, where the 16th century White Hart Inn served as the poet's local, or discover Tennyson's 'haunt of ancient peace' at Gunby Hall, near Spilsby.

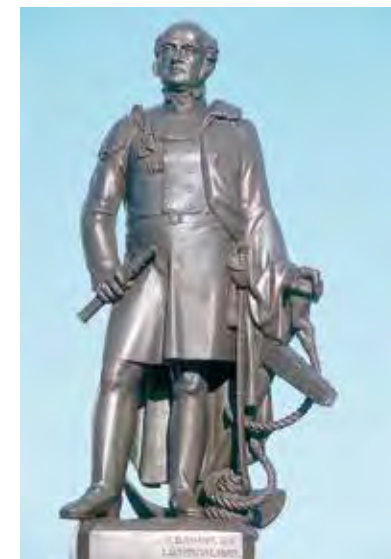

Tennyson spent his childhood holidays on the Lincolnshire coast, with the high dunes, beach and sea making Mablethorpe one of his favourite places. A celebration of his life and poetry will be held on the 6 and 7 August 2016 in the picturesque villages of Somersby, Bag Enderby and Harrington.

THE AMERICAN CONNECTION

Years before the Pilgrim Fathers landed in Plymouth, Massachusetts, modern America took root in Virginia – and East Lincolnshire played a pivotal role.

Captain John Smith (1580-1631) - of Pocahontas fame - led those first settlers. Visit Willoughby, his birthplace, or Louth where he went to school. Alford, with its magnificent Manor House, has connections with Smith, and also religious liberal Anne Hutchinson (1591-1643), a founder of Rhode Island, as well as author Thomas Paine (1737-1809), who helped inspire the American Revolution.

Explorer John Franklin, who mapped north Canada, famously vanished while searching for the North West Passage. Franklin, from Spilsby, hit the headlines when the wreck of his ship was discovered 170 years after it disappeared.

TUCK IN TO A TASTY TREAT

Whether you're looking for a bite to eat on the beach or afternoon tea in a cosy cafe, we reckon we can tempt any taste bud!

We produce some of the country's best food, as well as local specialities from the famous Lincolnshire sausage and Lincoln Red, Britain's oldest breed of beef cow, to Poacher Cheese and Lincolnshire plum bread.

Mention Lincolnshire and you might simply think sausages.

While there's no arguing we do those rather well, there's an incredible spread of produce and a rich food heritage well worth exploring.

Towns like Louth, Alford, Spilsby and Horncastle have historic, produce-packed markets. Spend longer in Louth and explore this gastronomic 'foodie' town with shops selling everything from handmade chocolates, to award winning butchers, cheese shops, bakeries and fishmongers.

Horncastle's The Old Stables coffee house has won high acclaim, as has The Sebastopol Inn in Minting. Add a host of farm shops, family bakers and butchers and you have all the ingredients for a very tasty break.

And, of course, no trip to the coast is complete without fish 'n' chips... and, as everyone knows, along with fresh fish, Lincolnshire potatoes are Britain's best!

Wherever you eat or shop, look out for the logo of regional food campaign 'Select Lincolnshire' as your guarantee that locally produced, high-quality food is on the menu.

DON'T MISS...

Half the fun is finding your own perfect place, but here are a few suggestions:

The Fat Seagull Café and Bistro is a great example of the changing face of the Lincolnshire coast with a fresh, imaginative menu, relaxed coastal décor and a fantastic location, close to the beach at Sandilands.

Fancy a pint in an old gas light office from the 1800s? Not only is The Gas Lamp Lounge in Louth an unusual venue, but it's also home to the Fulstow microbrewery – and the only place their beer is served.

Talking of beer, family brewery Batemans, in Wainfleet, has been producing award-winning ales since 1874. Based in an old windmill, Batemans is one of the country's most picturesque breweries and offers brewery tours plus special events.

Sweet tooth? Farmer Brown's Ice Cream Parlour near Alford – a gateway to the Lincolnshire Coastal Country Park - has luxury dairy ice cream, while Dennets, still going strong after four generations, is on sale at shops, pubs and restaurants.

FURTHER AFIELD

As well as a huge choice of things to do and places to see in East Lincolnshire, there is plenty more to explore right on the doorstep...

Head just a little further afield for some great family days out, from Lincoln, a city brimming with history, to Stamford, one of England's finest Georgian stone towns.

There's more than enough to make Lincoln an awesome day out.

Two Norman gems, the Castle and Cathedral, dominate the skyline for miles. Don't miss the new-look Lincoln Castle with imposing Victorian Prison, a new underground vault for the Magna Carta and stunning Wall Walk.

Standing across a medieval cobbled square, Lincoln Cathedral is a feast for the eyes and the senses. Even better; a joint Castle and Cathedral ticket offers entry to both – plus free return visit.

Wander the narrow streets, lined with boutique shops and cafes and visit award-winning museums. Hop aboard the Tour Lincoln double decker bus and take in all the city's main attractions.

Year-round events make it a destination for any season, with Lincoln Christmas Market, always the first weekend in December; an unmissable seasonal treat.

BOSTON

Travel south along the Wash and rising above the vast Lincolnshire Fens is another skyline-dominating church tower:

The Boston Stump – all 272 feet of it – boasts plenty of history too, including the founding of Boston, USA. The port here is where the Pilgrim Fathers first tried to flee England in 1607 and Boston Guildhall, a medieval building, is where they were once imprisoned. Maud Foster Windmill, built in 1819 and still grinding flour, is also well worth a visit.

STAMFORD

Think Cotswolds, but with fewer crowds! Discover 'hidden' England in this beautiful Georgian stone town, with more than 600 listed buildings.

This mellow limestone market town, on Lincolnshire's southern border, is a delight to explore, with some great independent and antiques shops too. Nestling on the edge of Stamford in acres of parkland, much of it landscaped by Capability Brown, is Burghley, England's greatest Elizabethan house.

CAISTOR

An attractive mix of fine Georgian and Victorian buildings, a traditional market and a history dating back to before the Romans...welcome to the north Lincolnshire market town of Caistor.

Tucked away on the edge of the Wolds, Caistor – with markets every Wednesday and Sunday – boasts listed buildings and also over 160 significant archaeological finds. Recently awarded 'Walkers are Welcome' status, the long-distance Viking Way runs through the town.

GUIDE TO QUALITY

We want your visit to the Lincolnshire Coast and Wolds to be the first of many – so it's important to us that you experience the best quality accommodation, activities and experiences that we can offer. To help plan your visit, here's a guide to the quality assessment ratings and awards achieved by our accommodation providers.

Common standards for hotel and guest accommodation
Quality in Tourism and the AA assess hotels and guest accommodation to the same criteria and award one to five stars. The star rating reflects the overall quality of the experience and range of services and facilities offered. There are two separate schemes – one for hotels and one for guest accommodation.

Hotel categories include:
Hotel, Country House Hotel, Small Hotel, Town House Hotel and Metro Hotel.

Guest Accommodation categories include:
Guest Accommodation, Bed and Breakfast, Guest House, Farmhouse, Inn, Restaurant with Rooms and Room only.

Self Catering

One to five stars tells you the range of facilities, equipment and quality. Includes the categories: Self-Catering, Serviced Apartments and Approved Caravan Holiday Home status (caravans which are located on farms or caravan parks and let by the owner as self-catering accommodation)

Holiday, Touring & Camping Parks

The rating for Holiday, Touring and Camping Parks reflects the overall quality of the park. This includes parks that cater for Touring Caravans and/or Tents and may or may not include Caravan Holiday Homes - some of which may be available for hire.

Exceptional Quality

Visit England's Gold and Silver Awards are given in recognition of exceptional quality within a property's star rating, or for outperforming a star rating. Serviced accommodation (hotels and guest accommodation) are eligible to receive either a Silver or Gold award, whereas self catering, serviced apartments and holiday, touring and camping parks are able to achieve a Gold award only.

Breakfast Awards

The Visit England Breakfast Award recognises serviced accommodation that offers their guests a quality breakfast that exceeds expectations of their star rating.

Skegness, East Coast and Wolds Hospitality Association

This association runs the local assessment scheme, Rest Assured, for serviced and self catering businesses who are members of the association.

Rest Assured

Rest Assured is a new assessment and advisory scheme set up for the East Lincolnshire area. This new scheme ranges from one to five star ratings for all serviced and self catering accommodation.

The British Holiday & Home Park Association (BH&HPA)
The British Holiday and Home Park Association is the representative trade association of the parks industry in Britain including holiday caravans, chalets, touring caravans and residential park homes. For further information please visit www.bhhpa.org.uk

Farm Stay
Members of the national Farm Stay UK group. Quality is regarded as fundamental and all properties must be inspected under the Quality in Tourism or AA assessment scheme.

Welcome to Excellence
Quality and friendliness are the key themes of this nationally recognised customer care training initiative and award.

Select Lincolnshire
These are businesses who are committed to using local Lincolnshire produce and passionate about food!

Visitor Attraction Quality Assurance Scheme
The Visitor Attraction Quality Assurance Scheme verifies that the attraction meets Visit Britain's requirements of being a quality visitor attraction based on the quality of the facilities and service provided. For more information visit www.vaqas.org.uk

Place of Interest Assurance Scheme
The sign that indicates a Visit England assessor carries out a biennial visit to ensure it meets the standard required to be awarded a Quality Assured Place of Interest.

Kitchen Hygiene Award
The food hygiene rating given to a business reflects the standards of food hygiene found on the date of the visit by the local authority. The food hygiene rating is not a guide to food quality.

Mobility Impairment

If you can climb a flight of stairs, but banisters or grip handles would make this easier.

Part-time wheelchair users

If you have problems walking, or can walk a maximum of 3 steps, or need to use a wheelchair some of the time.

Independent wheelchair users

If you're a wheelchair user and travel independently.

Assisted wheelchair users

If you're a wheelchair user and travel with a friend or family member who helps you with everyday tasks.

Visual Impairment

If you have difficulty reading small print, are registered blind, have poor sight or a visual impairment.

Visually impaired guests

An exceptional level of facilities and services that would be suitable for anyone with a visual impairment from mild sight loss to having no sight at all.

Hearing Impairment

If you have a slight hearing difficulty, are deaf, wear a hearing aid or have a hearing impairment.

Hearing impaired guests

An exceptional level of facilities and services that would be suitable for anyone with a hearing impairment from mild hearing loss to profound deafness.

HOW TO MAKE A BED BOOKING

All of the advertisements contain a postal address, telephone, e-mail and website address to enable you to make your reservation direct with the establishment of your choice. Please mention Skegness, Mablethorpe & the Lincolnshire Wolds Visitor Guide 2016 when contacting the establishment.

COMPLAINTS PROCEDURE

We naturally hope that you will not have any cause for complaint but problems do inevitably occur from time to time. If you are dissatisfied, please make your complaint to the management of the establishment at the time of the incident. This gives management an opportunity to take action at once to investigate and put things right without delay. The longer the complaint is left the more difficult it is to deal with it more effectively.

Alternatively please pick up a complaints form from any Tourist Information Centre and post it to:

TAKE TIME TO EXPLORE EAST LINCOLNSHIRE'S RICH HERITAGE

From aviation heritage to watermills and windmills, from medieval castles to famous sons and daughters, uncover a landscape steeped in heritage and tradition.

Discover East Lincolnshire's Aviation Heritage

During World War II there was a high demand for airfields close to the county's coastline which made East Lincolnshire an ideal location for countless concrete runways and taxiways. This also helped cement a common bond of service and camaraderie and connected people from around the world in a way that remains strong today.

As a result, East Lincolnshire is rich in Aviation Heritage, come and see for yourself...

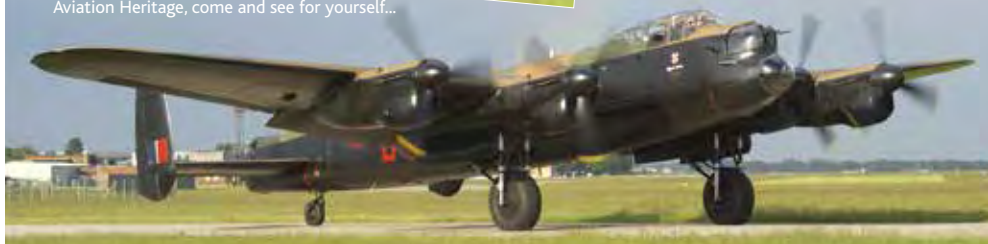

East Lindsey Aviation Heritage Guide

An aviation guide through East Lindsey locating active RAF stations and former airfield sites.

Be WaterWise

Know your Water Safety Flags

The Quality Coast Award ensures proper safety and first aid provision, access and facilities for disabled visitors, clean well-maintained facilities, dog control and hygiene and a range of free public information.

When holidaying at the Lincolnshire Coast we would like you to enjoy your holiday in safety.

PLEASE OBEY THE WATER SAFETY FLAGS, no flags = no lifeguards, do NOT risk swimming.

Always follow the safety advice given by the lifeguards

WARNING - Do not take inflatables into the sea!

Mablethorpe, Skegness & Sutton on Sea are proud that their beaches have received the Blue Flag & Quality Coast Awards

Patrolled bathing area

Red and yellow mark areas of water that are patrolled by lifeguards. These are the safest places to swim.

Do not enter the water when the red flag is flying

Red means DANGER!

Hazard - off shore winds

This flag indicates that wind conditions are especially dangerous, so under no circumstances should you take an inflatable into the sea.

HAVE FUN, BE SAFE – AND DON'T GET CARRIED AWAY !!!

There is a lot of fun to be had on a trip to Skegness, Mablethorpe & Sutton on Sea but safety is always an important issue to us. Here are a few tips to make sure you and your family stay safe on the beach this summer.

- Always follow the advice from the lifeguards.
- Look out for information, warning signs and flags.
- Swim where there is a lifeguard on duty, between the Red and Yellow flags.
- Do not enter the water when the **RED Flag** is flying – this denotes danger!
- Inflatables are fun but can be dangerous as you can easily be blown out to sea. The best advice is simple 'Don't use them on the sea'.
- Swim with a friend – never swim on your own.
- Don't eat or drink immediately before swimming as you may suffer cramps.
- Don't consume alcohol before going into the sea.
- Be safe in the sun – too much exposure to the sun's rays can be harmful. Always wear sun cream, at least SPF15 or above – even if it is cloudy.
- If you see someone in difficulty, dial 999 and ask for the Coastguard.

LINCOLNSHIRE'S COASTAL DISTRICT

LOVE OUR SEASIDE

HEY YOU LAND LUBBERS!

By all keeping an eye on our pipes we can stop the wrong kind of waste going down our loos and plugholes. This kind of waste can lead to pollution of our seas and coastal habitats.

HOW YOU CAN HELP:

RECYCLE or bin used cooking oil and fats.

BAG and bin all wipes, used sanitary protection and other bathroom waste.

SCRAPE and wipe left over food on pots and pans into a food caddy or bin before washing.

SO SHIPMATES – LET'S ALL
KEEP AN EYE ON OUR PIPES AND
KEEP THE CLOGGERS OUT!

AHOY THERE!

- Did you know used cooking oil and fat, wipes and sanitary waste, cause **80 per cent** of avoidable sewer pipe blockages coming from loos and sinks.
- Blockages cause **70 per cent** of sewer and pollution incidents in our homes and environment. These include coastal habitats, as well as caravan and holiday homes.
- There is enough cooking oil and fat at any one time in Anglian Water sewers to fill **eight Olympic-sized swimming pools**.
- If Anglian Water put all the landfill rubbish annually collected from sewers into skips and stacked them on top of one another, it would reach almost as high as **Mount Everest!**
- Wipes are **not** flushable, even if the label says they are. They may flush down your toilet bowl, but they don't break up in the pipe. They combine with other waste such as fat and cooking oil, sanitary pads and cotton buds, to cause blockages.
